Provider Spotlight!

Dr. Patrick Lucaci is the practice owner and has years of experience in the medical spa industry. With training in both dental and general medicine, he understands the complexities of the face, skin, and body. As a doctor of dental surgery, he has an in-depth understanding of the structure of the face.

Completing school with honors, Dr. Lucaci received his doctor of dental surgery degree from the University of Missouri – Kansas City (UMKC)

School of Dentistry. To continue specializing in this area, he attended an intense oral and maxillofacial residency with UMKC. This residency also allowed him to earn a doctor of medicine at the same time.

After receiving both his D.D.S. and M.D., he pursued an internship in general surgery and became a board-certified oral surgeon by the American Board of Oral and Maxillofacial Surgery. To ensure the safety of his patients, he also has advanced certifications in cardiac life support (ACLS), pediatric advanced life support (PALS), advanced trauma life support (ATLS), and basic life support (BLS).

Product of the Month

Glycolic Renewal Cleanser is a soft-foaming gel that exfoliates with a dual-acid blend while effectively cleansing impurities and long-wear makeup without stripping the skin of moisture. This gel cleanser contains 8% glycolic free acid value, brightening phytic acid, refreshing aloe barbadensis leaf extract, and hydrating glycerin. The results? Skin that feels renewed and looks brighter, with improved skin texture. Suitable for twice daily use.
