

WHAT'S HAPPENING AT 785 MED SPA

SPRING IS HERE!

Spring has arrived!!! We are loving the warmer days and are really looking forward to the summer time! This is a friendly reminder to WEAR SUNSCREEN!! We can do all the "anti aging" treatments that you want, but if you aren't wearing good sunscreen, then that really fights against the best results you can get with the services we offer!

Skinceutical's Daily Brightening Sunscreen is our fave! Stop by and purchase yours!

Med Spa Royalty Memberships

Provider Spotlight!

Tiffany began her nursing career as a Patient Care Technician in 2008 while earning her degree. She graduated with her Associate of Applied Science in Nursing from North Central Kansas Technical College in 2012. She pursued her Bachelor of Science in Nursing and graduated from Ottawa University in 2022.

Tiffany has diverse medical experience, including Critical Care, Post-Anesthesia Care, Neonatal Intensive Care, and Trauma Services. Her versatile experience contributes to Tiffany's array of skills and fosters a compassionate, patient-centric approach. She creates balanced, holistic, and comprehensive treatment plans for her patients as she helps them rejuvenate their overall health, inside and out. Her commitment to utilizing the newest techniques, technologies, and evidence-based practices allows Tiffany to develop an aesthetic treatment plan that enhances her patients' natural beauty.

Tiffany grew up on a farm near Stockton, Kansas, and still visits the area. Outside of work, Tiffany enjoys spending time with her family and friends. Her hobbies include cooking, baking, reading, traveling, and exploring nature. As a mother of three, she understands the difficulty of finding balance but strives to integrate wellness and personal growth into her life as she helps those in her care achieve their personal beauty and wellness goals.

Product of the Month

A lightweight, residue-free formula, Daily Brightening UV Defense Sunscreen SPF 30 combines broad spectrum UV protection with a potent blend of discoloration-correcting and hydrating ingredients for brighter, more even skin. 1% tranexamic acid, 2% niacinamide, and 0.3% phenylethyl resorcinol help reduce existing discoloration while broad spectrum chemical UV filters help protect against future sun damage. This daily sunscreen delivers immediate and all-day hydration with 7% glycerin, while mica instantly brightens all skin tones. Dermatologist-tested for safety.

BENEFITS:

- Reduces visible discoloration by 24%
- Brightens skin's radiance by 24%
- Immediately hydrates skin by 57%
- Broad spectrum protection against UVA/UVB rays
- TSA Approved

SKIN TYPES: Normal, Oily, Dry, Combination

SKIN CONCERN: Aging, Discoloration, Dehydrated
