WINTER SKINCARE TIPS: HOW TO KEEP YOUR SKIN HYDRATED AND HEALTHY

Cold weather can cause skin dryness and irritation. To maintain hydration and a glowing complexion in winter, follow these expert tips:

1. ****Use a Hydrating Cleanser****: Choose gentle cleansers with hyaluronic acid or glycerin.
2. ****Upgrade Your Moisturizer****: Opt for rich, cream-based moisturizers with ceramides or shea butter.
3. ****Don't Skip Sunscreen****: Apply broad-spectrum SPF 30+ daily, even in winter.
4. ****Add a Hydrating Serum****: Layer a hyaluronic acid serum on damp skin for moisture retention.
5. ****Avoid Hot Showers****: Use lukewarm water to prevent stripping natural oils.
6. ****Use a Humidifier****: Combat dry indoor air by adding moisture to your environment.
7. ****Nourish Lips and Hands****: Keep lip balm and thick hand cream handy to prevent chapping.
8. ****Exfoliate Gently****: Use mild exfoliants 1-2 times a week to remove dead skin without irritation.

Stay consistent with your winter skincare routine, and your skin will stay hydrated, smooth, and radiant all season long. Need personalized recommendations? Book a skincare consultation with us today!

"Savannah Orlando is very knowledgeable and so sweet. I really enjoyed meeting her and I felt at ease trusting her judgement. I had old lip filler that migrated under my lip and it would never dissolve before. Savannah was able to dissolve all of it after 5 years. Also, I absolutely love and adore Staci. Overall, I was very happy. Even the receptionist, Kayden was so sweet."

"Loved my results and the staff were all so helpful had great smiles and made you feel welcome! Will definitely be back"
