AESTHETIC MED SPA

# NEWSLETTER

Dear 785 Aesthetic Med Spa Family,

We are beyond excited to celebrate a major milestone with you — our 4th Anniversary! It's been an incredible journey filled with growth, success, and, most importantly, the privilege of serving YOU. We want to take this moment to reflect on our achievements and express our heartfelt gratitude for your trust and loyalty.

## A Year of Transformation

From the very beginning, our mission has been to provide top-quality aesthetic and wellness services that make you feel confident, rejuvenated, and empowered. Over the past four years, we've expanded our treatments, refined our skills, and brought the latest in cutting-edge technology to our med spa. Whether it's through facials, injectables, laser treatments, or body contouring, our goal has always been to give you the best in beauty and wellness.

## Your Support Means the World

We wouldn't be here today without your unwavering support. From our loyal clients who have been with us from day one, to those who've just started their journey with us — you have helped make our vision a reality. Every visit, every review, and every recommendation has played a role in our growth, and for that, we are deeply grateful.

## Open House

As we commemorate this special anniversary, we are delighted to announce a series of exciting promotions!

Details of these promotions will be provided on the reverse side of this newsletter. Additionally, we have exclusive offers available for our VIP Members!

Thank You for an Amazing 4 Years

As we reflect on our past successes, we're also looking forward to the future.

There's so much more to come, and we can't wait to continue serving you for many years ahead. Whether you're here for a relaxing facial or a transformational body treatment, know that we're committed to delivering excellence with every service.

Here's to many more years of beauty, wellness, and transformation — thank you for being part of our journey!

With love and gratitude,  
The 785 Aesthetic Med Spa Team
